

INTERNATIONAL SCHOOL OF KIGALI
Engaging Individuals | Encouraging Success | Enriching Global Citizens

1 March 2010

Dear Parents,

This first year for ISK has been an exciting one. We have accomplished many things and have seen the school grow and develop. As your new Director it was wonderful for me to participate in the talent show held by the fourth graders and to see so much involvement by you, the parents. It was wonderful to see how the students had undertaken the task of organizing the bake sale as well as the talent show and to see how much money they had raised. It demonstrates both the quality of students and teachers we have as well as the pride and ownership the parents have in the school.

As we embark upon the planning for our second year we look forward to the preliminary visits for accreditation and all that this will entail. Another equally important part of the planning is knowing how many students we will have. In order for us to order textbooks, hire teachers and make additional plans, we need to have an idea of our number of students.

For this reason we are asking you to let us know if you will enroll your child for the Fall of 2010. Our classes are small and many classes will fill up quickly. For this reason we ask you to return this form with your response no later than the 5th of March.

Thank you for your cooperation and we look forward to hearing from you and to having you, our parents as active members of the community.

Best wishes

Dr. Anna
